ACCESSORIES

Ventilation System : Removes odors and fumes for a fresh, hygienic spa environment.

Discharge Pump : The optional discharge pump allows quick and effortless draining after each service, eliminating the need for additional plumbing and reducing maintenance time.

AutoFill : Maintains optimal water levels and prevents overflows.

Replaceable Upholstery Covers : Easy-to-change upholstery for a refreshed, modern look.

EMPRESS G5

J&A USA is in the state of New York with a commitment to manufacture quality pedicure spas. J&A USA believes the specifications in this brochure to be correct at the time of publication. However, specifications, standard equipment, options, and colors are subject to change without notice. Please ask your authorized distributor for advice concerning current availability of standard and optional equipment. J&A USA requires third-party certification of electrical products and licensed electricians to install your new pedicure spa. Installation must be in compliance with all applicable local and state electrical, plumbing, and building codes. Your pedicure spa cannot operate efficiently or safely unless it is provided with an adequate electrical power, sufficient water pressure, proper waste disposal, and required drain connections.

The Empress G5 includes a 24-month warranty covering chair cushion foam, metal components, mechanical and electrical parts, massage mechanism housing, leather upholstery, and basin. This warranty excludes normal wear and tear, cosmetic changes, minor cracks or scratches, discoloration, impact damage, improper installation, use of harsh chemicals, misuse, neglect, or unauthorized service. J&A USA reserves the right to repair or replace defective products within the warranty period. Proof of purchase is required; shipping and labor charges may apply.
